classified in the above category.

In computing gross receipts under these sections there may be
deducted the amount of gross receipts which has been the
measure of a license tax paid to any other city.

In any case where a license or an applicant for a license believes
that the individual business is not assigned to the proper classification
under this section because of circumstances peculiar to it, as
distinguished from other businesses of the same kind, he may apply
to the Director of Finance for reclassification. Such application
shall contain such information as the Director of Finance may deem
necessary and require in order to determine whether the applicant's
individual business to the classification shown to be proper on the
basis of such investigation.
