## **D. Current Business**

### **1. Pool Wrap-Up**

Director Henz described some of the obstacles the City Pool faced this season. Not only Red Bluff but Chico also had problems finding enough lifeguards this season so the staff at the City Pool was unable to offer swimming lessons and struggled throughout the season to keep enough guards to staff regular operations. He explained he was able to make up some revenue by allowing the Triton swim team to rent the pool for their practice sessions.

### **2. Monthly Recreation Report**

Director Henz reported that summer softball was almost complete and fall ball registration letters were sent out to the teams. He said the Summer Fun Zone kids program was complete and that the attendance was down this season.

### **3. Dog Park**

Commissioner Martin described some of the fund raising efforts for the fencing that he hopes to put up this year. He is providing a Dog Park sign out of his own pocket to be placed near the fence in hopes to give people a "vision" so they will possibly donate and help purchase the benches, slabs and trash cans.
