Grant Update

Director Carlisi explained that we were awarded extensions for the existing grants that the department has through the Office of Grants and Local Services (OGALS). We were also awarded extensions on the existing Roberti Z-berg Harris grants. All work using these grants will need to be completed by March 2015.

Skate Park Update

Director Carlisi described the work on the picnic table pads that had been done at the skate park by a group of volunteers lead by Kevin Marshall. Local skaters joined together to raise funds for this project. ADA pads were poured for picnic tables on the north end of the skate park. She encouraged the commissioners to visit the park.

Commissioner Schafer asked if the remaining Grants funds for the park could pay for the repair of the fence and the coping in the park. Director Carlisi explained that the grant would not cover repairs to the park, only new items such as a shade structure.

Blues for the Pool Upcoming Events

Director Carlisi asked that this item be tabled till the next meeting as the information was not available at time of the meeting.

Commissioner Comments:

Commissioner Phillips was excited about the students that were submitting applications to become a representative on the commission.

Chairperson Avila explained to the commission that at the 2nd bike race this season, Forward Park was voted best course in the series (Shasta, Tehama and Butte County) because of the natural terrain. Anderson park came in 2nd place.

Chairperson Avila adjourned the meeting at 7:47p.m.

The next meeting of the Parks and Recreation Advisory Commission will held January 11, 2012 at the McGlynn Swimming Pool located at 119 Sycamore St.. The meeting will begin at 5:30pm.
