Commissioner Piffero spoke about expanding Trainor Park into the City Corp Yard so that a fourth baseball diamond could be added along with a concession stand.

Commissioner Avila pointed out that the grant is not limited to one project. He suggested expanding the River Park to the Westside of Main Street where the old trails were going to go; it would include 427 low income people.

Commissioner Shaffer requested a plot plan of Trainor Park.

Director Carlisi reminded the Commissioners that in order to acquire the grant money, the community must be involved and gave an example of the ideas the Blues for the Pool organization had.

Commissioner Ragsdale suggested involving groups like the Girl and Boy Scouts to attract attendance.

The Commissioners discussed ways of attracting the community to the meetings such as passing out flyers, meeting at the Community Center and, suggesting three park development ideas to motivate creative thinking.
