2. LOT LINE ADJUSTMENT 2013-001; VOLUNTARY MERGER NO. LLA-2013-001; PLANNING COMMISSION RESOLUTION NO. 2013-002; ASSESSOR'S PARCEL 29-256-07 & 29-256-06; 432 & 436 CRITTENDEN STREET; MR. NEIL WINSTEAD AND MR. ROGER KLETKE

Scot Timboe, Planning Director, reviewed the staff report and gave staff's recommendation that the Planning Commission Adopt Resolution No. 2013-002 approving Lot Line Adjustment 2013-001, and direct staff to record Merger No. LLA 2013-001 after the conditions of approval are complied with.

Mr. Winstead and Mr. Kletke would like to adjust the lot lines of Parcel's 29-256-07 (Parcel A) & 29-256-06 (Parcel B) (Please see Attachment "A" Vicinity Map with the existing lot configuration). The LLA & MRG will create the Parcel's as shown on Attachment "B". This adjustment is requested in order to adjust the 10 foot by 15 foot section of their rear yards into a more usable lot for Parcel B (Please see Certificate of Lot Line Adjustment and Merger). The new alignment of Parcel A would take the eastern 10 by 15 foot section of Parcel B's rear yard as shown on Attachment B and move it west 10 feet in order to line it up with the rest of the parcels side yard making one straight perpendicular side property line protruding from Crittenden Street's Right of Way. The remaining lot lines would then be merged into parcels A & B as shown on Certificate of Lot Line Adjustment and Merger. This proposal will not create any more lots than currently exist (See Attachment "A" with existing Lots). If the adjustment is approved, the various existing areas described above will be merged into 2 parcels for the purpose of lease, finance, sale, issuance of building permits or other public agency approvals.

M/S/C Dale, Christ to adopt Resolution No. 2013-002 approving Lot Line Adjustment 2013-001, and direct staff to record Merger No. LLA 2013-001 after the conditions of approval are complied with.

AYES: Commissioners Christ, Dale, Fitzpatrick and Raglin

NOES: None

ABSENT OR NOT VOTING: Commissioner Moran (absent-excused)
