### **AIRPORT COMMISSION AGENDA**

**Date of Meeting: October 9, 2019**

**Place of Meeting: City Council Chambers**

**Time of Meeting: 5:30 p.m.**

This agenda has been posted pursuant to City of Red Bluff Resolution No. 28-1995. The City of Red Bluff welcomes you to their meetings, which are regularly scheduled for the second Wednesday of each month. Your participation and interest are encouraged and appreciated. Meeting notices are available in appropriate alternative formats, upon request of a person with a disability. If accommodations are needed for individuals with disabilities, please contact the Public Works office prior to the day of the meeting.

#### **1. Pledge of Allegiance**

## **2. Approval of Minutes**

**August 14, 2019**

## **3. Citizen's Comments**

Citizen comments are a special time for citizens to address the Airport Commission on airport related items which are not on this meeting's agenda. For items that are on the agenda, public comment will be heard when the item is discussed. If your comments concern an item that is noted as a public hearing, please address the commission after the public hearing is opened for public testimony. By law, the Airport Commission cannot make decisions on matters not on the agenda: however, items can be discussed and can be placed on the agenda of the next Airport Commission Meeting. If requested by letter, at least two weeks prior to the Airport Commission Meeting, any subject relative to the operation of the airport will be placed on the next agenda. The Chairperson reserves

the right to limit the duration of time per each speaker.

#### **4. Current Business**

##### **4.1 Proclamation**

Presentation of Proclamation thanking Lynn Chamblin for twenty years of service to the City of Red Bluff.

##### **4.2 Fixed Base Operator (FBO) – Gary Walker Informational**

#### **5. Old Business**

##### **5.1 Report of Homeless Executive Meeting Informational**

##### **5.2 New Tehama County ALUC Commissioner Informational**

During the Tehama County Board of Supervisors meeting on September 10<sup>th</sup>, Gary Walker was appointed to the Airport Land Use Commission to fill Lynn

Chamblin's unexpired term as the City of Red Bluff representative with said term expiring 9/30/22.

### **5.3 TCAA End of Summer Fly In Report Informational**

### **5.4 Recent Inspections at KRBL Informational**

On September 25, staff met with CalTrans Division of Aeronautics on the field for the Annual 5010 and Permit Compliance inspection. Correction notices included faded taxiway centerlines and hold-bars, faded illuminated runway markers, and requirement to remove helipad from TWY B. The items listed are all part of the next planned ACIP. PG&E conducted their gas line testing where it crosses just south of the RWY 33 threshold on the following morning. No anomalies were indicated.

## **6 New Business**

## **6.1 CalFire and USFS use of KRBL for Fire Support Informational**

The recent Red Bank and South Fires found CalFire and USFS utilizing an extensive area of KRBL, including a taxiway closure and installation of a temporary tower for air traffic control. Up to 33 additional helicopters and support crews were based on the field with various additional CalFire and USFS ground personnel present for the two-week period. CalFire, USFS, and tower commended the local pilots and voiced their appreciation for Red Bluff providing a welcome environment. Staff has been in contact with multiple agency representatives to formulate a delineated “pre-plan” for aerial asset staging should an event like this occur again. A meeting will occur during the winter months when the fire threat is reduced, to discuss the generation of a plan and map that will meet the needs of both KRBL and multi-agency emergency assets.

## **6.2 Association of California Airports (ACA) Conference Informational**

The Airport Manager recently attended the annual ACA conference. ACA hosted several educational presentations by various aviation companies and agencies. A collection of the PowerPoint slides of the presentations can be viewed through the following link;

[http://www.calairports.com/conference/Powerpoints%202019/2019\\_conference\\_powerpoints.html](http://www.calairports.com/conference/Powerpoints%202019/2019_conference_powerpoints.html).

Topics included emerging technologies, funding, weather services, alternative fuels, pavement/subsurface conditions and investigations. Between and after the presentations, networking with other managers, consultants, and aviation officials was available.

## **7 Closing Comments**

The next Regular Airport Commission Meeting is scheduled for November 13, 2019
