Commissioner Rob Schmid explained what the CDBG Grant was and what it was used for. Commissioner Schmid encouraged that people go to the next hearing on

the 19th and ask more questions. Scott Miller was at the last meeting and said that there are more steps that need to be taken before the Grant is issued. Ken Robison property owner at the industrial park asked the commissioners if they need to give a recommendation and Rob Schmid said that there was not a Quorum to make any decisions tonight. Fred Ehrensverd asked the commissioners if they were going to interpret tonight's meeting to the City Council on Tuesday, and Rob Schmid said yes. 5.2 Report of Homeless Executive Meeting

Commissioner Moore said he went to the meeting for the Homeless Project at 1445 Vista Way and they were going over the layout of the building and had issues with the parking lot and they were going to ask the city if they would allow parking on the streets. Airport Manager Scott Miller let the commissioners know that the county was drafting a letter regarding the safety issues. The letter should be hopefully available by the 19th.
