3. Current Business

3.1 Fixed Base Operator (FBO)

Reporting on behalf of Cardan's manager David Underhill, Henz said there wasn't much change from the previous month. Underhill would make a 16,000 gallon order of fuel so the prices charged to the pilots might change. Henz said there should be new restaurant operators in January because the current operators would be finished working as of December 31, 2014.

3.2 Restaurant

Henz said he expected to receive plans from Semingson Architects at the end of the year. Semingsons were looking at shelving and equipment so they could deliver the most economical plans possible. Henz explained once the plans are complete he would display them to the commission and then seek council approval.

Adjournment

Vice Chairman Moore adjourned the meeting at 6:02 p.m.

Respectively Submitted,

Bruce Henz
Public Works Director
Airport Manager
