- 4.1 **Fixed Base Operator (FBO) – Gary Walker**

**Informational**

Gary Walker with the FBO reported that everything is going well. S & W Maintenance was there to look at the Fuel Island for upgrading to meet new upcoming compliance requirements. Spring cleaning is

the Hangar that the Red Bluff Police Department uses and if they were done with it so that we could rent it out for extra income for the airport. Scott Miller stated that the Red Bluff Police Department is still occupying it for larger evidence and that it will probably remain that way. Plans are to still to section it off where airport items (illuminated runway closure crosses) can be stored for rapid deployment when needed.

Chairperson Rob Schmid adjourned the meeting at 6:22 pm.

Respectfully submitted,

R. Scott Miller  
Assistant Public Works Director and  
Airport Manager
