STAFF ITEMS/REPORTS

Mr. Timboe reported that the Wal-Mart Supercenter public hearings on the RPEIR would be held on Wednesday, September 3rd at the Red Bluff Community/Senior Center beginning at approximately 5:00 p.m. until 10:00 p.m. He asked that the Chairperson observe the 3 minute rule to allow time for all interested people to speak.

Commissioner Dale stated that since they have reduced the size of the building fewer parking spaces would be needed.

Mr. Timboe stated that was correct and noted that the smaller building will also preserve the large heritage oak located on the property.

After consideration by the City Council then the final project would go back to the original Judge for his review and approval of changes.

Mr. Timboe stated that with the special Planning Commission meeting of September 3rd, the September 9th meeting would not be held.

ADJOURNMENT:

There being no further business the meeting was adjourned at 5:35 p.m. until September 3, 2008 at 5:30 p.m.

Respectfully submitted,

s/ Scot Timboe
Planning Director
